NORWICH TOWN

NORWICH TOWN

There was an unusually large congression at the First Methodist prayer setting at the First Methodist prayer setting at the First Methodist prayer setting to hear the fare well words of the pastor, Rev. William L. Crawford spoke in most impressive and words about leaving this parish. At the close he stated to the flock he was leaving, that he had one final word to say that he had one final word to say. The barber who shaved me at consult with him does not put the same containing to hear the fare with the does not put in all his time there. The dust of the said he went to school with him at Cornegation at the First Methodist prayer setting to hear the fare with the does not put in all his time there. The dust in Jewett City, he closed up like a claim, and kept out of my way. I dare shoul leaving this parish. At the close he stated to the flock he was leaving, that he had one final word to say; there was a mystery attached to this him at corn, and is one of the managers of this way, here was a mystery attached to this had a sister, a Mrs. The barber who shaved me at the first leave the current of the flock at the flock in Jewett City, he closed up like a claim, and kept out of my way. I dare shoul leaving this parish. At the close he stated to the flock he was leaving, that he had one final word to say; there was a mystery attached to this had a sister, a Mrs. The barber who shaved me at the flock he was given in harmony by Miss Hasel Cruthers and Miss Gladys Cruthers, Mrs. Frederich.

sure you get genuine dejatone.

NORWICH PEOPLE IN CALIFORNA Rutherford C. Paut of this city, who is now in California on his way back from a trip that took him to Honoiul, in the train going from Santa Barbara to Los Angeles, Calif., April 8, 1921. My dear Lou: I feel like the fellow from North Daksota, who said after his return from California. The letter follows: Los Angeles, Calif., April 8, 1921. My dear Lou: I feel like the fellow from North Daksota, who said after his return from California. The letter follows: Collman and his sister, Mrs. Larie from North Daksota, who said after his return from California "and we're going to stay home for a long, long time, yes, even longer than that, for it will take till doom's day to gather enough money to ever do it again. If we had weak lung to the condition of the condition; what nationality the church following and regular income, we'd go to California and would get cured of both. In Los a leasant fourmey. Last Sunday I had danner with the feel we were feel in the file was not not a group ple stones. It is going to be a very large structure and one can get an idea of what it is going to be from the present condition; what nationality the church following day via the Santa Fe route for home, and no doubt they have arrived by this time, and I hope that they were on their way home, and no rescentarian. Last Sunday I had danner with the pretty well in writing this letter and the other fooler one that ne doubt bored the other long one that ne doubt bored t R. C. PLAUT WRITES OF MEETING MANY

and regular income, we'd go to California by this time, and I hope that they had a pleasant journey.

hanges hanges where in an automobile, or just coming back from somewhere, and another thing, if you chance to buy a newspaper and expectation that be had darel to hope 29.90 lines, while waiting for a car, a half a dozen people will be reading the names.

when you know that he employs fifty or more tailors, and last week, he turned out 190 suits. He has a beautiful home, at 1212 Edgemont avenue, in Hollywood, and two beautiful children, a boy Russell and a girl Eleanor, and both are very tine musicans. I had dinner at the Johnson home. Ernest would not take "no" for an answer. And I can truthfully say

(Boudoir Secrets)

No tollet table is complete without a small package of delatone, for with it hair or fuzz can be quickly banished from the skin. To remove hairs you merely mix into a paste enough of the Albert and Ellen and the latter without saw him last year.

Mrs. Johnson is about the same as he was when you and I saw him last year.

Mrs. Johnson is real well, as are also albert and Ellen and the latter without saw him last year.

As I was on the train last Thursday, coming from Santa Barbara to Los Angeles, and say Lou (there is a new hotel when for want to put your business before the public, there is no medim better than through the advertising business of The Bulletin.

where in an automobile, or just coming where in an automobile, or just coming back from somewhere, and another thing, if you chance to buy a newspaper and every fine business, and it is beyond any expectation that he had dare! to hope in stand on the corner to read the headiness than done people will be reading the paper over your shoulders, and if you should never reach the sidewalk."

If there is one thing sure about the people of Los Angeles, they sure boost their city and their climate, and it recalls the story of a preacher, who was asked to officiate at the functal of a the first came here, have left to visit their daughter. Rose, at El Paso, Texas, and I miss them very much.

Tommie Shugnue, a brother of Jack about him, but I would like to say a few ords about Los Angeles." Now, the fellow that had this dope has got the people of when I start and the proper of the people of Los angeles. The same to like their new home very much.

Tommie Shugnue, a brother of Jack about him, but I would like to say a few ords about Los Angeles." Now, the fellow that had this dope has got the people of the start is the fellow that had this dope has got the people of Los angeles." That such a brook ran water. But I wonder. If from its being kept forever under These thoughts may not have reen that so keep.

This new-built city from both work and sleen. -Robert Prost, in the New Republic. THE VIOLET.

POETRY A PROOK IN THE CITY. The farmhouse lingers, though gverse to

The farmhouse lingers, though giverse is square square.

With the new city street it has to went A number in. Eut winst about the brook. That held the house as in an elbow-crook?

I sak as one who knew the brook, its strength And impulse, having dipped a finger length.

And made it leap my knuckle, having tossed.

And made it leap my knuckle, having tossed A flower to try its currents where they croshed. The meadow grass could be cemented down from growing under pavements of a town;

The noise trees he sent to hearth-stone flame.

Is water wood to serve a brook the same?
How else dispose of an immortal fore No longer needed? Staunch it at i

No songer heeded? Staunch it at the cource
With cinder leads dumped down? The brook was thrown
Deep in a sewer dumped upder stone
In fethi darkness still to live and runselland all for mothing it had ever done
Except forget to go in fear perhaps.
No one would know except for ancient

Tainf. delicious, soringtime, violet?
Thine oder, like a key.
Turns noiselessly in memory's words to A thought of sorrow free

The breath of distant fields upon my brow Blows through that open decy. The sound of wind-borne fields, more sweet and lew. And sadder than of yore.

t comes afar, from that beloved pines. And that beloved hour, When life hung ripening in love's golden

Like grapes above a hower. A spring goes singing through its reedy

The lark sides o'er my head. Drowned in the sky-O pass, ye visions I would that I were dead! Why hast thou opened that forbidden

From which I ever fee?
I vanished joy! O love thou art no more,
Let my vexed spirit be!

O violet! thy odor through my brain
Hath searched, and stury to grief
This sunny day, as if a curse did stain
Thy velvet leaf.
William Welmore Story, in Indianapelis, News.
